

Mind Over Murder: A Jake Roberts Novel

Lori Powers escaped capture and fled to Europe in *After the Evil*. After five years on the run, Interpol finds Lori and returns her to the U.S. where homicide detective Jake Roberts and ex-FBI profiler Mika Scott accept custody of her. It's a bittersweet reunion for both law enforcement officers. Lori and Jake were lovers. For Mika, Lori was her worst nightmare. But Jake is being stalked by another serial killer—wealthy, genius Jared Hamilton. Jake breaks all of the rules and helps Lori escape from prison to assist in Hamilton's capture, but does Lori know Jared and are the two killers conspiring to kill Jake, Mika, and Juan? Will Lori use the opportunity to escape again? Not your average serial killer story, *Mind Over Murder* is the perfect serial killer read!
