

An Introduction to Roman Catholicism

An Introduction to Roman Catholicism
Table of Contents Introduction Essentials
Chapter 1: The Creed Chapter 2:
Sacraments Chapter 3: Catholic Traditions
Conclusion Glossary of Terms Author Bio
Publisher Introduction The purpose of this
text is to present and defend the
fundamental beliefs of the Roman Catholic
faith from a Catholic perspective with an
inviting and surprisingly affordable format.
Many people harbor gross
misunderstandings of the Catholic religion
due to misinformation and, more likely
than not, a total misunderstanding of
Catholic institutions and practices. How
and why an institution that has had as
dramatic a role in the development of
western civilization as the Catholic Church
has come to be so entirely misunderstood
and mischaracterized by non-Catholics is
beyond the scope of this text. My hope is
that this text dispels insubstantial notions
held about the Catholic faith and replaces
them with the factual information. This
text is a necessary corrective because it is
difficult to articulate the motions and
practices of faith to others, especially if the
others are aggressive and non-receptive
(which is often the tone during
interreligious dialogue). Faith is often an
organic and fluid motion on the part of the
faithful. Faith is a lived experience, hence
the phrase the life of faith. The core beliefs
of the Catholic faith are presented here in a
manner accessible to Christians and
non-Christians alike. I hope you approach
this book with a spirit of open-mindedness
and a desire to learn. It is my earnest desire
that this book either deepens your faith and
your understanding of the Catholic
religion. The Catholic faith has two
sources of authority: Sacred Tradition and
Sacred Scripture. The Catholic Church, in
order to present its teachings in an
approachable format, has published a
Catechism. Consult the Catechism of the
Catholic Church if you desire to explore

anything presented in this book to a greater degree. I intend to cite the Bible to provide an authoritative basis for the claims I make in this book. The citations also allow the reader to research the claims for himself. The Bible will be cited by book, chapter, and verse. The Bible edition used in this text is The New American Bible.
