

## Celebrated Crimes: Massacres Of The South

Beginning in the mid 16th century the South of France was plagued with a series of massacres. Done in the name of religion, both sides, Protestant and Catholic, were guilty of heinous crimes. Alexandre Dumas is best known for his D'Artagnan Romances, including the books *The Three Musketeers* and *The Man in the Iron Mask*. Dumas, a student of history, wrote several historical fictions as well as historical essays. There are 8 volumes of the Celebrated Crimes.
