

## Simon Bolivar

Bolivar -nos dice John Lynch- fue un revolucionario que dio la libertad a seis países un intelectual que desarrollo los principios de la liberacion nacional y un general que lucho en una cruenta guerra colonial. Su recuerdo ha sido una inspiracion para las generaciones posteriores; pero se ha convertido tambien en un campo de batalla. Doscientos anos despues de las revoluciones hispanoamericanas sigue siendo necesario un libro como este que nos ofrece basandose en un solido trabajo de investigacion una nueva valoracion despojada de mitos y condenas del Libertador . Una obra de referencia imprescindible sobre Simon Bolivar su personalidad su obra y su legado.
