

Chaos (The Lost Gods) (Volume 5)

Nine gods ruled the world, until the ultimate betrayal resulted in their destruction. Now, the world is dying and only by restoring the Lost Gods can it be saved. Sealed off from the world for nine hundred years, Schatten is a country of darkness and mystery. The power of Teufel, Shadow of the Lost Licht, keeps the rest of the world out, and his deadly Sentinels keep the people of Schatten in. Their only hope for salvation lies in a single line of ancient prophecy. Sasha wakes up with no memory of where he is, how he got there or who he is. All he remembers is his name, and falling to a terrible beast with burning violet eyes. All he possesses are the clothes he wears, the weapons he carries, and a strange ring. All he can do is venture deeper into the land of snow and ice in which he is lost, hoping that eventually he will find answers.
