

Chasing Destiny: Waiting for Nick//Considering Kate (Stanislaskis)

The final two books in the beloved Stanislaski series *Waiting for Nick* Frederica Kimball is ready for life on her own in New York. She has three goals: find her own place, become a Broadway lyricist and get Nick LeBeck to fall as desperately in love with her as she always has been with him. Though Nick has always treated Freddie like a little sister, he can't help but notice the strong, passionate and head-to-toe-gorgeous woman now standing in her place. Fight as he might, Nick suddenly finds his feelings for Freddie are anything but brotherly! *Considering Kate* Kate Stanislaski Kimball has turned her back on glamour and fame, and has come home to make a fresh start. The only thing more perfect than the beautiful dilapidated building she's bought for her new dance school is Brody O'Connell, the frustrating and surprisingly fascinating contractor she's hired for the renovation. Brody is determined to resist Kate's effortless allure. She's Natasha Stanislaski's pampered, perfect daughter, after all. But how long can a man hold out against his own heart?
