

Taming Natasha & Luring A Lady

The first time single-father Spence Kimball set eyes on Natasha Stanislaski, he was floored by her exotic beauty. But the former ballet dancer turned toy shop owner had a fiery temperament that kept men safely at bay. Sensing a hidden wound, Spence and his little girl joined forces to find a way into her closely guarded heart. For Spence realized he'd do anything to tame Natasha's fears and show her how to love. Luring a Lady Nothing in Sydney Haywards' background of wealth and privilege prepared her to take the helm of her family's corporation, and her new responsibilities left no room for complications. Mikhail Stanislaski was definitely a complication. Earthy and entirely masculine, Mikhail came from a world utterly different from her own. But the way she felt when he put his strong, work-hardened hands on her was wreaking havoc with Sydney's resolve.
