

Chasing Trouble (Chasing Love series)

A sexy category romance from Entangled's Brazen imprint...Bad boys are the best kind of trouble...Kindergarten teacher Jenna Justice has lived her life by the book—right school, right career, right image. Too bad the townsfolk of Diamond, Kansas, have a hard time forgetting that she wasn't born on the right side of the tracks. The only way J.J. can land her dream job is to keep her wild side buried and her reputation clean. But when she finds herself in another town, one without prying eyes, she allows herself one fantasy-filled night with her best friend's bad boy brother. Professional bull rider Colt McCade is grounded for the summer with an injury. After their sizzling night together, he finds himself wanting to pick up where he and the prim and not-so-proper Ms. Justice left off. Problem is, she isn't interested in his idea of healing, which involves ice cubes and a whole lot of heavy breathing. But the closer he gets, the more he sees that his fast-and-loose reputation could cost her the job of her dreams. He wants to do the right thing, but walking away from her could cost him everything.
