This bundle contains: Chasing Beautiful, Chasing Diaries (A Novella), Chasing Imperfection & Chasing Paradise. Be consumed in intense passion and their one of a kind nonsensical love. How will they even try to move past the LIES, BETRAYAL and JEALOUSY? Could they fight off the magnetic attraction or will they submit and surrender to it? An orphan at the age of seven, there was one thing that Sienna Richards didn't do easily--give her heart. She made that mistake once by trusting and giving her heart to her childhood best friend and ex-boyfriend, Kyle Matthews. When Sienna left for London to study, she was taken aback when Kyle told her that he's been seeing someone else. Hurt and betrayed, Sienna decided to fly back to LA to confront him. The whole idea of closure was definitely a bad idea. She immediately left, deflated and aggrieved. Back in London, Sienna was surprised when her very good friend, the magnetic Blake Knightly, seemed to be determined to have her. Blake was relentless but will not settle until he gets ALL of Sienna. Women clamored to be the handsome aristocratic Blake. Who could possibly resist a compelling man that drew such power and commanded attention by simply just breathing? When Sienna was about to give in, fate stepped in and muddled her mind and heart once again. Kyle moves to London to be close to her. If Sienna thought her life was in shambles before, she should think again.
