

A Wild Ride (The Bullriders Book 1)

The Bullriders: Book One Dante Rivers just lost the rodeo by two one hundredths of a point: hes frustrated as hell, needs to get laid, and he knows just where to go. That night he meets Ryan Abbott and catches his eye Ryan watched the rodeo and is still riding high on the rush. The chemistry between them ignites, but Dante, unable to deal with complications, leaves while Ryans asleep. Ryan figures hell never see Dante again, but theyre fatefully reunited when Dantes grandfather, Hy, hires Ryan to help straighten out some old investments. The attraction between Ryan and Dante still sizzles. Sex slowly turns to more, but obstacles abound: Hys failing health, Dantes homophobic sponsor, an attack on Ryan, and Dantes own struggle with his identity. Any one thing would be enough to separate them permanently unless they both decide to hang on for the wild ride.
