

Chicken Soup for the Fishermans Soul: Fish Tales to Hook Your Spirit and Snag Your Funny Bone (Chicken Soup for the Soul)

More than fish tales in this delightful book, readers will discover stories about the special relationships that develop through fishing-between parents and children, between friends and lovers, between fisherman, nature, and the elusive fish. Fishing is a common thread in many lives, and this book shows the strength and importance of those threads-whether your passion is fly-fishing, bass fishing, deepwater fishing, or just casting a line on a hot summer day. Chapters include: First Cast, Small Fries, The One That Got Away and Hooked For Love.
