

Chicot the Jester

This vintage book contains Alexandre Dumas' 1910 novel, *Chicot the Jester*. A collaborative effort with Auguste Maquet, it tells the fantastic story of a nobleman jester who has the audacity to mock a king and the guile to disarm a venerable knight in a heated battle. Concerning one of Dumas' most well-known and marvellously crafted characters, *Chicot the Jester* is a must-read for fans of Dumas' seminal work, and is not to be missed by the discerning collector. Alexandre Dumas (1802-1870) was a famous French writer. He is best remembered for his exciting romantic sagas, including *The Three Musketeers* and *The Count of Monte Cristo*. Despite making a great deal of money from his writing, Dumas was almost perpetually penniless thanks to his veritably extravagant lifestyle. His novels have been translated into nearly a hundred different languages, and have inspired over 200 motion pictures. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.
