

Lamps - Complete Common Worship Talks and Activities

Since it was first published in three volumes, Lamps has proved consistently popular among leaders of groups for 6-10 year olds. We are now republishing David Adams teaching programme in a single volume, covering Years A, B and C of Common Worship, and alongside Candles, its companion volume for younger children. There have been minor revisions and updates but the content and flavour of the original are unchanged. This revised edition now includes a CD-Rom of the worksheets for every Sunday.
