

## Chilling Historical Crimes: Volume 2

Modern crime is PG compared to the stuff that happened years ago. This collection shows that crimes of our past are often more brutal than anything that would come after it. Included in this collection are seven stories about historic crimes. They include: Joseph Bell, the Servant Girl Annihilation, Bela Kiss, V. Gordon Childe, Jean Bastien-Thiry, the Cleveland torso murder, Sam Sheppard. These books may always be purchased individually.
