

Choices: Third Heart (Merrick, Beth and Brody - Book Three)

Beth was having a bad week. In a few short days, she had lost her job, her boyfriend and the support of her family. Left with no options, she drove to Alaska to stay with a friend, and accepted a job on a fishing boat with Merrick, a beautiful man with a rough personality. A night at sea brought passion to life between Beth and Merrick, but when her ex-boyfriend, Brody, returns to win her back, she will be left with nothing but choices. Will Merrick be the man to win Beth's heart, or will she discover that the man she loved long before running to the frigid climate of Alaska was the one she should have been with all along? Choices: Third Heart is the third book in a three book series.
