

Conversations with My Dog

Most people talk to their pets (some people even talk to their plants), but Zig Ziglar does more than just talk to his dog. He has conversations with him. Taffy is Zigs little Welsh Corgi. Taffy moved into the Ziglar household in early 1995, and it didnt take him long to endear himself to Dad (Zig). Over the years Taffy has been a part of the Ziglar familyincluding some really painful years of mourning. Dirty Dog (Zigs affectionate nickname for Taffy) and Dad have talked about many facets of lifefrom faith to health to relationships. They decided (collectively) it was time to write a book.
