

## Cooking With Love (Christian Historical Romance about Fred Harvey waitresses) (Finding Love the Harvey Girl Way Book 1)

Tabitha is in search of adventure (Previously sold through Harlequin as Cooking Up Love) Tabitha McClelland knows accepting a job as a Harvey House waitress can be risky. Traveling alone to the rough-and-tumble West just isn't done by young ladies of good breeding. But far more dangerous is her powerful attraction to Adam Foster. Family means everything to the widowed chef, but the self-sufficient Tabitha cherishes her freedom above all else. Adam is captivated by the fiercely independent Tabitha. Fraternizing with the female employees is strictly forbidden, but the Harvey Girl awakens feelings too compelling to ignore. Can Adam convince Tabby to share his dream of a future in Californiattogether?
