

Christian Mystics: 365 Readings and Meditations

Spiritual maverick Matthew Fox believes that through the ages religious patriarchal hierarchy and rigidity have obscured Christianity's most beneficial and essential teachings: those that arise out of personal, mystical experiences of the Divine. A true religious renewal, according to Fox, can arise only through the mystical dimension of faith. In *Christian Mystics*, he offers a wide-ranging collection of quotations from Christianity's greatest mystics and prophets of the past two thousand years. Fox explores and celebrates the mystical path with insightful commentary on the thoughts and revelations of some of history's greatest religious visionaries.
