

Too Hot to Print

How much sex is too much sex? That's what librarian Gabrielle Pope is wondering. Thanks to a chance encounter with sexy-as-sin Henry Wells, she's indulging in sensual acts she's never even dreamed of. And she's loving every minute of it... Unfortunately, Henry's not a local--he's only in town on a seven-day business trip. So Gabrielle has to decide--does she go back to searching for Mr. Right, or give in and totally indulge with Mr. Right Now. Because if this is going to be the best sex of her life, she can't waste a single minute of it.... Note: This story is novella-length.
