

Cold Hearted (Griffin Powell Book 9)

Trusting Her. . . They all loved her. That was their mistake. Two husbands, her college fiance, an influential boss--every man who gets close to Jordan Price is made to pay in blood. And the list is growing. . .

Could Be. . . . Hired by the Powell Agency to investigate Senator Dan Prices death, Rick Carson can see at once why people would believe Jordan Price incapable of cold-blooded murder. Slender, pale, and elegant, she stands by her late husbands graveside exuding sweet vulnerability. Only Rick notices that she never sheds a tear. And the deeper he delves into the string of deaths from which Jordan has profited handsomely, the more convinced Rick becomes that he is dealing with a callous, cunning, unstoppable killer.

. . . The Last Thing You Ever Do. . . The closer Rick gets to the chilling truth, the more dangerous this game of cat-and-mouse becomes. The targets are changing, and suddenly, nothing and no one is safe. If Jordan is as innocent as she claims, Rick may have placed her in a killers cross hairs. And if shes guilty, hell never live to regret it. . .
