

The Closer You Get

The virgin isnt the only one with something to lose...Self-described manwhore Kieran Frost is loving the single life. Two years after moving to Seattle, he still has his friends with benefits, Rhett and Ethan, plus a never-ending supply of gorgeous, available men wandering through the bar where he works. A relationship? Spare him the drama and heartbreak. Hes got no complaints about his unattached lifestyle. When Rhett's daughter introduces him to newly-out-of-the-closet Alex Corbin, Kieran's interest perks up. After all, the quiet ones are always the freaks in bed. But Alex isnt just shy and reserved. Hes a virgin in every sense of the word, having never even kissed anyone else. Kieran is no one's teacher, and his first instinct is to run like hell in the other direction. But his conscience wont let him throw the naive kid to the wolves for someone else to take advantage of. The plan is to introduce Alex to his own sexuality, pull him out of his shell, then go their separate ways. Its the perfect, foolproof plan assuming no one falls in love. Warning: This sequel to *The Distance Between Us* contains a curious virgin, a shameless slut, a trip to a sex shop, and one stubborn heart. Oh, and a dildo.
