

Come To Me: Book 1 in the Love and Trust Trilogy

Will the past repeat itself? Rob hasn't had the best of luck when it comes to women and his epic failure with Kit Kendall is still very fresh. Rob might be successful in sports and in business but does he have what it takes to be successful in love? When Rob gets to know Wren Tyler, his sous chef, he's willing to try again even knowing he could get hurt. Wren on the other hand, is very attracted to Rob, but she knows she's not in his league. So when he starts to pay her attention, who could blame her for being a little suspicious? But have Wren's past heartbreaks destroyed her ability to trust? And will Rob be able to overcome his past failures and become the man Wren needs him to be? Only true love will be able to heal Wren's heart and help her trust again.
