

## Remembrance of Mother: Words to Heal the Heart

When a mother dies, those she leaves behind are filled with sorrow, but what is sometimes overlooked is remembering and celebrating her legacy. Remembrance of Mother is a moving and thoughtful collection of perspective on mothers and the vital influence they have on the past, present, and future of their children. In remembering there can be joy and peace. A son or daughter of any age can miss a mother's presence, not just immediately following her death but at any time of sadness or celebration. A book of comfort and support, Remembrance of Mother is a gentle reminder that although she is no longer here physically, she lives on in the heart.

You may also submit your own prayer, poem or words of remembrance at no additional for healing A time for knocking down, hearts.
