

The Lust Boat ~ The Lothario Series ~ Book 1

Description: When her fiance called off the wedding and told her hed had better sex with a blow up doll, Candace traded in her honeymoon cruise for a week on the Lothario, the most notorious ship to ever sail the high seas. Little does she know that Ryan, the sexy passenger who offered to be her escort as she samples all the ship has to offer, is really Ryan Callahan, the ships playboy owner. Ryan Callahan is single, rich, and considered quite the catch. Two years ago he and his business partner launched the Lothario, a floating den of iniquity where passengers can indulge their every sexual fantasy, but since the ship docked following its maiden cruise, Ryan has been so scarce hes earned the nickname, Monk, until sweet, naive Candace coaxes him out of his tower, heats his blood, and steals his heart. But will she still want him when she finds out who he really is? The Lothario Series
