

## Conquering India [Texas Temptations] (Siren Publishing Menage Amour)

[Menage Amour: Erotic May-December Menage a Trois Romance, M/F/M] Caterer India Singer is getting her life on track, hoping to make it big with her new company. She doesn't need any distractions...especially a younger man. She won't get involved with another man destined to leave her. But security expert Wade Thompson won't take no for an answer. Wade knows exactly what he wants and just how to get it. He's pulling out the stops because he's sure India's the woman for him and his best friend and business partner, Marc Jasper. Marc isn't too sure and tries to keep India at arms length. When a threat to India has her in constant contact with Marc, the lure of the curvy older woman is too much to ignore. But when both men raise the stakes and ask for more than just a fling, will India play it safe to protect her heart, or will she take another chance on love? \*\* A Siren Erotic Romance
