

Milk Maid in Heaven: A Novella

Mitch Rutherford works the graveyard shift at a dairy farm in the prison work-release program. His only focus is on his upcoming release from prison, until he meets Emily Stuart, the farmers daughter just weeks before his release date. Unwilling to compromise his release date or his friendship with Ethan Stuart, his boss and Emilys father, Mitch struggles with his newfound faith and growing friendship with her. When tragedy strikes the dairy farm, Mitch must work together with Emily to keep her fathers business from collapsing. It is then that Mitch feels he cares for Emily more than he is willing to admit. Will Mitch risk everything for a chance with Emily?
