

For a Rainy Afternoon (Tales of the Curious Cookbook)

A Tale of the Curious Cookbook Robbie MacIntyre manages a small post office in the old Station House on the outskirts of sleepy Barton Hartshourn northwest of London. Hes stunned when the owner, Maggie, a close friend, bequeaths him not only the post office, but also Station House. The rest of her estate is left to an American writer, Jason Young, and when he moves to the village, Robbie is thrown by the attraction he has for the man who has more of a claim on the Station House than he does. Then there is a box that holds several rare first editions and a cookbook. Only when the secrets of the ingredients in a particular recipe are finally revealed does everything begin to make sense, and a love cut short seventy years earlier is finally discovered.
