The reissue of #1 New York Times bestselling author Linda Lael Miller's Corbins Fancy, the second installment in the Corbins series! When a traveling carnival left Fancy Jordan stranded in the rugged Washington Territory, she thought her luck had run out. Alone, penniless, she welcomed a most intriguing offer to live in the home of Jeff Corbins' brother and coax the wounded, withdrawn Jeff back to health and happiness. But a villainous attack on his ship had hurt not only his body but a deeper sorrow tortured him, heart and soul. For as the beautiful gamine fell deeply in love with his handsome, brooding man, she faced a phantom rival...one that only the most splendid, most heartfelt passion could conquer!
