

Counsel To Christians

George Muller had a profound impact on the lives of young believers, not only with the thousands of children he helped at the orphanages he founded, but also through the Word of God he shared in his extensive travels. While he spoke and wrote to believers young and old, new and seasoned; Muller felt especially drawn to those young in the faith. In the opening of Counsel to Christians he wrote, I have it specially on my heart to seek to lend a helping hand to young believers they may be helped so to walk, that God may give them to enjoy peace and true happiness, and ... to bear fruit to the praise, the honour, and glory of the Lord. Here Muller shares the scriptures and his deep personal insight into Gods heart to lead the new follower on the path to walking with God.
