

Cowboy Take Me Away

Settle in for the hot McKay romance that started it all... Rough Riders, Book 16 The moment Carson McKay saw the sexy blonde at the dance hall, he wanted to throw her over his saddle and gallop hell-bent toward the closest church. Given his reputation as a lover and a fighter-not necessarily in that order-it wasn't surprising she gave him the cold shoulder. But he hadn't expected the mean right hook when he tried to steal a kiss. Carolyn West might look sweet and innocent, but she's no fool. The good-looking cowboy with the heart-stopping smile didn't really want to marry her; he just wanted to take her for a test ride. But when he kisses her a second time, she doesn't fight her burning attraction to him...until she learns he's one of the McKay cowboys she's been warned about. Carson doesn't care about the long-standing feud between their families; he knows that Carolyn was meant to be his. And the more intimate they become, the more Carolyn sees the real man behind the wild cowboy reputation-a man who wants the same forever kind of love she does...and who will lead her into a love story that spans fifty years. Warning: Crazy, hot, sexy and sweet-good girl meets bad-boy cowboy and they prove lust can last a lifetime.
