

Wild Nights [Predatory Hunters 3] (Siren Publishing Everlasting Classic ManLove)

[Siren Everlasting Classic ManLove: Erotic Alternative Futuristic Paranormal Romance, M/M, shape-shifters, HEA] Gilbert Guy has no idea what is going on when he is taken from the local YMCA. He finds himself on an auction block, being sold off to the highest bidder. But when Gil wishes to escape, and a handsome man appears, Gil thinks he's conjured the guy from his imagination. Domingo has no idea what to do with Gil. The man is nuttier than hell. Not only does Gil keep calling him Bob, but Gil swears that Domingo is a figment of his imagination. Domingo had gone after Gil on the request from his alpha, Max. But Domingo is starting to wish that Max had sent someone else. Gil is a walking disaster. What started out as a simple extraction assignment turns into a road trip from hell. Domingo's car catches fire, forcing the two to walk from Arizona to California. Along the way, they run into trouble time and again. But their wild nights turn into so much more when the attraction between the two ignites. ** A Siren Erotic Romance
