

## Crazy On You (Lovett Texas Book 2)

Return to Lovett, Texas, the setting of *Daisys Back in Town*, in this smart and sexy new story from Rachel Gibson, the New York Times bestselling author of *Rescue Me* and the *Seattle Chinooks* books. Lily Darlington's been called crazy in her day and, yeah, driving her car into her ex-husband's living room probably wasn't the smartest move ever made but the louse deserved it. Now Lily is happily single, and she's turned it all around. She knows she's a good mom, a homeowner, and a businesswoman, all wrapped up in one good-looking package. A package that police officer Tucker Matthews is dying to unwrap. This ex-military man sure doesn't need another woman in his life. His last girlfriend left him with nothing but memories and a cat named Pinky! But living next door to Lily has been driving him nuts. He dreams about her long blonde hair and even longer legs. And maybe it's time to go a little crazy ... and fall in love.
