

Cream of the Crop (The Hudson Valley Series Book 2)

New York Times and USA TODAY bestselling author Alice Clayton brings her trademark blend of funny and sexy to this second contemporary romance in the brand-new Hudson Valley series! Manhattans It Girl, Natalie Grayson, has it all: she's a hot exec at a leading advertising firm, known industry-wide for her challenging and edgy campaigns. She's got a large circle of friends, a family that loves her dearly, and her dance card is always full with handsome eligible bachelors. What else could a modern gal-about-town wish for? The answer, of course, is...cheese. Natalie's favorite part of each week is spending Saturday morning at the Union Square Farmers Market, where she indulges her love of all things triple cream. Her favorite booth also indulges her love of all things handsome. Oscar Mendoza, owner of the Bailey Falls Creamery and purveyor of the finest artisanal cheeses the Hudson Valley has to offer, is tall, dark, mysterious, and a bit oblivious. Or so she thinks. But that doesn't stop Natalie from fantasizing about the size of his, ahem, milk can. Romance is churning, passion is burning, and something incredible is rising to the top. Could it be...love?
