

The Burglary: The Discovery of J. Edgar Hoovers Secret FBI (Thorndike Large Print Crime Scene)

The never-before-told complete story of the history-changing break-in at the FBI office in Media, Pennsylvania, by a group of unlikely activists ? quiet, ordinary, hardworking Americans ? that exposed the shocking truth and confirmed what some had long suspected: that J. Edgar Hoover was operating, in violation of the U.S. Constitution, his own shadow Bureau of Investigation.
