

Flight Risk

Fighter pilot Bennett Roid-Rage McKinney has had a crush on one of his squadron mates, Aaron Tex Austin, for ages. The snarly RIO is sexy, sarcastic, gay everything Bennett wants in a man. When Tex has a rare night off from the chronic pain caused by an ejection a few years ago, he reaches for the nearest warm body which just so happens to be Bennetts. After a hot night, though, Bennett wakes up alone. Tex starts sending him mixed messages one minute he wants him, the next hes cold-shouldering him. Bennett isnt interested in playing games, not even with the man hes been lusting after. One night stands are fine, but hes not getting involved with someone who might disappear at the drop of a hat. But as the men try to resist each other, he realizes hes not the only one whos afraid of getting involved with a flight risk This 20,000 word novella was previously published as part of the Unconditional Surrender Military Collection.
