

Cultivate: The Power of Winning Relationships

Are you working with a difficult colleague? Plagued with the worst of office politics, shifting alliances and silos? Looking to take your career to the next level? Then Cultivate. The Power of Winning Relationships is for you! You cannot be successful in business, or in life, unless you are successful in cultivating your professional relationships. Read Cultivate and you will discover the powerful secret to personal and professional success - it's all about your relationships. This step-by-step guide will ensure you identify the critical relationships that can either help, or hinder you, in achieving your goals. Apply the Relationship Ecosystem to diagnose the health of your professional relationships. Develop an Ally Mindset that will help you to build and nurture your Ally Relationships. Create lasting relationships that go beyond the transactional and superficial level to deliver transformational results. The world of work is a team sport, you cannot high perform alone. You need the support, insight and advice of trusted advisors, your Allies. In Cultivate. The Power of Winning Relationships, Morag Barrett shows you how to nurture Ally Relationships, those who will hold you accountable, increase your impact and accelerate your success. Business is Personal. Relationships Matter!
