

Carlisle Pride

With the family fortune gone, Brooke Carlisle has struggled to support her two younger sisters and make ends meet. Then Tyler Marshall comes back to town, seeking revenge because of the ruthless way in which Brooke had broken their engagement. But how much is enough to satisfy Ty? And what does he want, anyway? The remains of the Carlisle business? The family home? Or Brooke herself? Leigh Michaels is the author of more than 90 books, including 80 contemporary romance novels and non-fiction books including *On Writing Romance*. She also writes single-title historical romance set in Regency England. Six of her books have been finalists in the Romance Writers of America RITA contest for best traditional romance of the year, and she has received two Reviewers Choice awards from *Romantic Times* magazine. More than 30 million copies of her books have been published in 25 languages and 120 countries around the world. Her website is www.leighmichaels.com
