

## Better to See You (Christian Contemporary Romance) (Romance Across the Globe Book 3)

Visiting her ailing grandmother in the fairytale-like German town, Lucy Blair plans to be a caregiver during her grandmas illness and attend the world-renowned theater production of the Passion of Christ. What Lucy did not plan was to run into her old college boyfriend, Ron Woodson, who is in Germany to learn woodcarving for his furniture making business. Will their meeting rekindle the old flame or will the past smother the new spark?
