

## Double Delights: Curvy Contemporary Menage

Whats worse than losing your fiance? Having him break the news two weeks before the wedding during dinner with his family. Tamsyn is shamed by the way Will handles things, but so grateful when his identical brothers step in to take care of her. It turns out Dean and Evan want to do more than care for the curvy beauty. The men share everything, and Tamsyn is just the wife they want. If shes brave enough to explore the option, she might find they are exactly what she needs. This contains naughty bits that should only be read by adults.
