

Loves Second Chance: A Second Chances Novel

~ Steamy, romantic love story by New York Times and USA Today bestselling author, L.P. DOVER, of how two people who were meant to be together get their second chance at a new life, a new love, and a new beginning. CAN BE READ AS A STANDALONE. *~* Korinne Anders had it all. She had the perfect job, the perfect house, and the perfect husband. When tragedy strikes, her world takes a devastating turn. Six months after losing her husband to a car accident, Korinne vows it to herself never to love again. If she doesn't allow another man in her heart, then there's no reason for her to feel the pain of loss. This plan seems to work, but is put to the test when Korinne's best friend can't stand to see her suffering any longer. Korinne's long-time friend, Jenna Perry, has an idea and it involves helping her friend find the spark of life in her soul no matter what it takes. Korinne didn't know that Jenna's plan meant bringing back a past love, a second chance with the man that Korinne had to leave in college, but always kept a place for in her heart. When Galen Matthews learns of Korinne's loss and that she's finally moved back home, he wants nothing more than to be there for her. The love he felt for Korinne years ago has never left him, and now he's given a second chance to not only mend her heart of her loss, but to also continue the love they shared in the past. Will his love and determination make her strong enough to give fate a second chance, or will her fear of losing another love make her run away? What will Korinne do when she's faced with a love so powerful that no matter what she does there's nowhere to run from it? **SECOND CHANCE STANDALONE SERIES** Loves Second Chance Trusting You Meant for Me
