

Spurred On (The Quick and the Hot Book 3)

Genre: Contemporary Western After a major injury on the rodeo circuit, Hayden takes over as foreman at the Cole Ranch. But he finds that acting on pure instinct as he did in the arena isnt working with his boss or the ranch hands, and that getting the landowners daughter Zoe Beth in his bed has probably put his job on the line. Since childhood, Zoe Beths sole goal is to be seen as an equal among the cowboys in her life and to manage her fathers ranch. But her daddy--and now Hayden--bosses her around. In the bedroom with the tall, muscled ex-bull rider, its toe-curling, but in the pastures, shes damn well going to earn the respect she deserves. When she takes in a neglected animal belonging to the neighbor, she is faced with a decision that will prove her guts as a rancher even while Hayden will be forced to see himself for the dominating person hes truly become.
