

The Heart Sutra and Beyond: A Translation of The Heart Sutra with Commentary

The Heart Sutra and Beyond includes The Heart Sutra in Chinese by Xuanzang and a refreshing translation into English by Dr. Kwan-yuk Claire Sit. The main theme and purpose of the book is to show how one may practice the perfection of wisdom. Dr. Sit analyzes The Heart Sutra with metaphors, stories, illustrations, Buddhist scriptures, relevant Taoist texts, and anthroposophic teachings. She delves into Anthroposophy to explore the mystical connection between form and emptiness; between Buddhism and esoteric Christianity; between Buddha Gautama and the young Jesus; and between the future Buddha Maitreya and Jesus Christ. She applies her deep understanding of the two Chinese names for Avalokitesvara (Guan-zi-zai) and Sariputra (She-li-zi) to reveal the essence of the sutra. Finally, she notes that anyone can gain great blessing by meditating on a short mantra presented in the sutra. Her commentary on this timeless text brings profound insights to those who are new to The Heart Sutra, as well as to those who may have studied and practiced Buddhism for many years.
