

## The Revival Answer Book

God has used Michael Brown as a key part of the Brownsville Revival, which has gained worldwide recognition as a movement marked by deep repentance and salvation for tens of thousands of people. Of course, questions have been raised, as they have whenever revival has come to God's people throughout history: Just what is revival? How do we know it when we see it? What are the signs of true revival? Does revival extend beyond the body of believers to the community or the nation? What about all those weird manifestations we've heard about? Do I have to go there to get revived? Can't God just meet me where I am? The author answers these questions and many more, without defensiveness or negativity, in this completely revised edition of *Let No One Deceive You*. This is your hour of visitation. Don't miss out!
