

Mission: Soldier to Daddy (Heroes Come Home)

Lukes toughest fight yet is for his family. In the Special Forces, Luke Brown trained for the harshest of war situations; pity theres no training for being a husband and father. After two years away, he wasnt expecting his wife to welcome him open-armed, but he wasnt anticipating divorce papers either. When she sees him standing on her doorstep in his immaculate uniform, Olivia longs to feel her handsome husbands strong arms around her. But raising their son has been tough, and watching little Charlie fall in love with a dad who might leave again is terrifying. Luke doesnt want to walk away again and hes determined to win back his wife and child!
