

Dance With Me

Dear Reader, These stories of classic romance are among my favorites--and I welcomed the chance to revise them for today's reader. Kathleen Darrow loves a challenge, and taking care of Jordan Long's two young daughters certainly qualifies! The girls think she's wonderful, but will their handsome single dad ever get to meet her if he keeps taking business trips to faraway places? The Matchmakers' secret plan to play Cupid is pure genius, and once Jordan meets their temporary nanny, he's sure to fall in love. In *Fire And Ice*, Alisa Franklin is devoted to her much younger sister--and she'll do anything to keep the little girl. But according to the terms of their mothers' will, Alisa must marry to retain custody. Only Zachary Stuart, maverick and millionaire, will accept her terms: a marriage in name only, for exactly one year. And Alisa is in for the surprise of her life. Zach's patience--and his passion--are about to capture her heart...forever. Sometimes, love needs a little help... With love, Janet Dailey
