

## The Pregnancy Contract (Mills & Boon Desire)

Wade Collins has longed for revenge on the spoiled rich girl who toyed with his affections. So he blackmails her back into his bed; if she bears his child, he'll forgive her debt. The proposal is unthinkable, unimaginable yet not entirely unappealing. Long ago Piper Mitchell's passionate affair with her father's protégé ended in disaster. Now, in spite of his attitude, she's thrilled to begin it anew especially if she can get love on her terms.
