

The Gallant Vicar: A Pride & Prejudice Variation

My first Regency novel! Thank you, all! You have warmed my heart with your delightful responses to my Mister Darcy contemporary series. I am so glad you found the tales to be feel good and uplifting. I hope you enjoy my first sojourn into the Regency era as I tag along after our favorite couple. In the GALLANT VICAR, Darcy and Elizabeth retain the same jousting banter contained in my MISTER DARCY SERIES, but they have now returned to their own time where insults are an art form and reputations the most valued of commodities. What would happen if Mr. Collins finally snapped and Elizabeth might be the cause of his breakdown? What if he were replaced at the Hunsford parish by a charming, unwed vicar who arrives on the heels of Elizabeth's rejection of Darcy? Darcy is desperate to deconstruct the growing attachment Elizabeth feels for the new vicar. Determined to unearth the truth about the clergyman before Elizabeth is coerced into marriage, Darcy swings into action even as he fears he will appear to be jealous. Will Darcy save the day? Will Elizabeth accept his help? And exactly who is the Gallant Vicar? Hold on to your bonnets, as my stories move at a faster pace to match their snappy dialogue.
