

Dark Soul (Vol 2)

The second volume in the Dark Soul series features the stories Dark Whisper and Dark Night. In Dark Whisper, Gianbattista may have broken Silvio's heart and sent him off to the States, but he's still just a phone call away. When Silvio returns from a sex shop with a bag full of goodies, Gianbattista can't resist topping his boy one more time, even if they are 4,000 miles apart. In Dark Night, the Russian problem comes back to haunt Stefano, and when a dark encounter leaves him bloody and broken, Silvio knows just the right way to ease his pain.
