

## Darling Jenny: Wyoming (The Americana Series)

Every novel in this collection is your passport to a romantic tour of the United States through time-honored favorites by Americas First Lady of romance fiction. Each of the fifty novels is set in a different state, researched by Janet and her husband, Bill. For the Daileys it was an odyssey of discovery. For you, its the journey of a lifetime. Your tour of desire begins with this story set in Wyoming. After being hurt and disillusioned in love, Jenny runs home to Wyoming to be with her sister Sheila. Jenny is determined to protect her sister from a fate similar to her own. Soon, Jenny finds herself trying to protect Sheila from the clutches of the wealthy, dangerously attractive Logan Taylor -- only to fall in love with him herself.
