

Dating A Cougar II: Book Six of the Never Too Late Series

Being young shouldn't mean he has no game when it comes to romance. Why can't he find a woman both smart and beautiful to date? In book six of the ongoing Never Too Late contemporary romance saga, Walter discovers his idea of a perfect woman is not a thing of fiction. And he doesn't care a bit that Jane is a lot older than him. Aided by his not-so-helpful family, Walter's pursuit of his reluctant cougar will make you laugh out loud in this entertaining romantic comedy. Firefighter and eco entrepreneur Walter Graham II is tired of unhappily dating. He wants to date Jane Fox who can turn on his body and keep up with his brain. Unfortunately, the sexy older woman is using her formidable logic to prove any relationship between them is a bad idea. But once he gets his reluctant cougar into bed, Walter intends to give Jane's amazing mind something more important to focus on than their age difference. About the NEVER TOO LATE series Tired of younger heroines and heroes getting all the action? How about something different? The Never Too Late series is a collection of six sexy, romantic comedies about finding love and romance after turning 40 and 50. These contemporary romances are intentionally heavy on humor and light on tears. The heroines are successful in life, but not successful in love, as their friends are quick to point out. The heroes are drool worthy, confident, and know what it takes to make a woman feel loved and wanted.
